

Artech India ranked among Top 15 Largest Staffing Firms In India by Staffing Industry Analysts' list 2016

New Delhi, 15th Dec 2016– Artech Infosystems (India) is pleased to announce that it has been ranked in the **Top 15 of the "Largest Staffing Firms in India 2016"** by Staffing Industry Analysts (SIA). This listing is analyzed by 2015 revenue of staffing companies in India. SIA is a global advisor on staffing and workforce solutions and their research covers all categories of employed and non-employed work.

“In an industry which is worth over INR 270 billion, Artech’s entry amidst the top 15 staffing firms is an evidence of our success in the staffing domain” said Mr. Shiv Nath Ghosh, Country Director and Senior Vice President, Artech Infosystems (India). He adds, “SIA’s listing is an indicator of Artech’s expertise and lays the path for our vision to be featured among the 'Top 10 Staffing Firms of India' in the next list. It is the result of each and every employee’s focus and trust of our clients who have partnered with Artech India and made this ranking possible”.

Adam Pode, Director of International Research at SIA also mentions “The Indian Staffing Federation has predicted that 2.1 million temporary workers presently in the organized sector will increase to 2.9 million workers by 2018, making India the third largest market in the world”.

SIA currently estimates the Indian staffing market to be worth approximately INR 270 billion based on 2015 revenue and forecasts the growth of 12% for 2016 and 10% in 2017.

Staffing Industry Analysts (SIA)

Founded in 1989, SIA is the global advisor on staffing and workforce solutions. Our proprietary research covers all categories of employed and non-employed work including temporary staffing, independent contracting and other types of contingent labor. SIA’s independent and objective analysis provides insights into the services and suppliers operating in the workforce solutions ecosystem including staffing firms, managed service providers, recruitment process outsourcers, pay rolling/ compliance firms and talent acquisition technology specialists such as vendor management systems, online staffing platforms, crowdsourcing and online work services. We also provide training and accreditation with our unique Certified Contingent Workforce Professional (CCWP) program. For more information, please visit: <http://www.staffingindustry.com/>
