

Artech's Sponsor Partnership with 49th Ciett World Employment Conference 2016

10th June 2016: Artech is proud to announce the sponsor partnership and participation at 49th Ciett; World Employment Conference 2016, dated 25-27th May 2016, hosted by Indian Staffing Federation in New Delhi, which focused on employability and labour markets around the world and provided an engaging platform for Indian workforce to reach to Global Employment Industry. Artech delegations' participation brought back the knowledge and expertise on international labour market & recruitment industry benefits from the Emerging Talent Powerhouse of the world - India future.

"We are happy to have partnered in the signature event World Employment Conference (WEC) which covered profound insights and facts on market consolidation, work mobility, recruitment industry, demand-supply of companies and regulation models, attended by 300 delegates from more than 35 countries. The volume of exposure received by WEC is by itself a success for Artech, also the multiple branding at the event and post event has contributed towards expanding Artech's visibility. Furthermore, the event enacted as an active platform to network with potential clients and staffing leaders," said Shiv Nath Ghosh, Country Director and Senior Vice president, Artech Infosystems (India). He added that this conference is a step ahead vision for empowering workforce sector syncing with Make in India.

"This event is a great means to showcase India as an emerging talent powerhouse, building the confidence of investors across the globe which was certainly not possible without the support of sponsors like Artech Infosystems. Artech's partnership and involvement with ISF is always valued" said Rituparna Chakraborty, President, ISF.
