## **Artech Infosystems signs partnership agreement with National Skill Development Corporation**

New Delhi- 3rd January, 2018- Artech Infosystems has signed an agreement with National Skill Development Corporation (NSDC) under the UDAAN programme with an objective to promote the employment of skilled workforce of Jammu and Kashmir (J&K) state. The agreement announces the training and deployment of candidates from J&K in the coming period. Udaan programme is a special initiative to address the needs of the educated unemployed in J&K and to provide the exposure to corporate India towards the rich talent pool available in the state. Udaan, the Special Industry Initiative (SII) for J&K is funded by Ministry of Home Affairs and implemented by NSDC.

The Agreement was signed between NSDC and Artech Infosystems respective managements. Artech will target-identifying, developing, training and placement of 150 J&K candidates into the market place across industries PAN India.

Commenting on the partnership, Mr. Rabish Chaturvedi, Vice President (Human Resources) of Artech Infosystems (India) said, "We are delighted to be an authorised partner with esteemed NSDC under Udaan Programme, who has commendable background of skilling lac's of the youths of Jammu & Kashmir and developing their employment channel. This agreement will not only bridge the gap of skilled workforce and market requirement but will also facilitate us an opportunity to address one of the sincere concerns i.e. employment of Jammu and Kashmir state". He adds that J&K is privileged with youngest populations having 75% of population less than 30 years of age. As a staffing company, we value the frame and initiative of UDAAN which is a beneficial and insightful contributor for India's economic growth"
