ARTECH signs MoU with APSSDC to promote mobilization of workforce in Information & Technology (IT) Industry in India

Noida / Andhra Pradesh, India- 31st March 2016 - Artech Infosystems Pvt. Ltd. (Artech India) and Andhra Pradesh State Skill Development Corporation (APSSDC) have signed a Memorandum of Understanding (MoU) to facilitate recruitment of white collar work force of AP anywhere in India or abroad, specific to Information Technology (IT) related domain. The timeline of the MoU will be five years, during the course of which APSSDC will facilitate the positioning of Artech as one of its primary partners for all IT related staffing needs to all organizations (whether existing or in the process of setting-up) in the allocated districts of AP.

Talking about the MoU, Mr. Shiv Nath Ghosh, Country Director & Senior Vice President, Artech India said, “Artech’s deep heritage, proven expertise and insightful market intelligence has secured us a high ranking amidst top 10 IT staffing providers in India. It is an excellent opportunity for us to channelize the AP’s talent to exhibit their tech competencies to the existing as well as upcoming corporations in the state, who are robustly looking forward to the Indian Market for business as well as for talent.”

“This partnership will give a fillip to the skill development activities of APSSDC and will foster a positive approach to skill development in the state,” added by Mr. L. Premachandra Reddy, IAS, MD & CEO, APSSDC. He adds “Artech will bring its expertise to the table in this crucial task of making a match between the availability of IT jobs and suitably skilled youth.”
